**Elevation**

**Plan**

Plan & Elevations of Utility Room. Sink under window. Le-mans carousel in the corner. Elevated Washing Machine & Tumble Dryer, space for basket underneath and also a pull-out drawer. Tall unit to far right for storage of tall items. Wall units run around corner and are highlighted in grey. Sockets for Washing Machine and Tumble Dryer as shown. Isolators needed for these. Sockets in the rest of the room as needed. Socket can be put in Boot-room unit too if you think you need it.
